Cleaning cents

80 000 cents pr. tube

6 tubs pr. day

80000 x 6 = 480 000 cents pr day

For pickling & cleaning cents,

6 pitchers aq. fort. = 150 lbs.

150 lbs. X .06¢ = $9.00

3 men @ $3.00 pr day 9.00

$18.00 = cost

for 480 000 for acid & labor

Hence for 100 000 cents the cost

is $3.75
